At its regular meeting on May 3, 2006 the City Council approved Resolution R-30-2006 that created a task force to the siting of a new special events center. The task force, comprised of seven members, has been working with a consultant to evaluate the need for a new events center for the Las Vegas Valley.

Due to the extensive amount of information that the consultant must compile and present to the task force, it has become necessary to request an extension of the original 90-day timeframe for completion of the task force work. Under the amended resolution, the task force will have approximately eight months to complete its work with the consultant. The final report tentatively will be issued by December 31, 2006.

RECOMMENDATION:

It is recommended that the City Council adopt this resolution.
